**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need the services of Sonic. They provide excellent telephone and internet access. They provide timely technical support.

We depend on broadband for access to information and education. Access to financial resources is imperative to our well being.

We need the competitive group of smaller companies in order to keep prices as low as possible.
